BIOGRAPHY

Tom Shoval a.k.a ALPHADOG was Born and raised in Haifa, Israel. Tom started his journey in 2005 as part of the Psychedelic Trance duo "INSOMNIA".. At this stage Tom already performed in various festivals, clubs private events around the world.

At 2019 the project of ALPHADOG has born. His Music takes influence from different genres of dance music, techno, Afro House, progressive and many more... ALPHADOG's first big hit was at 2022 "Hello Paki" that was release at "Kinetika Music", And "Golden Boy" was released at "Maccabi house" .

His E.P " TARANTELA " was released in DIYNAMIC 2022. showcasing his range of production abilities, The E.P immediately become a huge success and got to be played regularly in many famous djs like SOLOMUN,TALEOFUS, Adriatique, Artbat,Äme,Innellea,Korolova,Magit Cacoon,Kevin de Vries and more.

2023 was a big year for ALPHADOG. He has been picked as one of the "Future Four" rising stars of "TOMORROWLAND". At the end of 2023 he formed his own label AREA51 and released "Ye Ah".

2024 iis a year of collaboration, ALPHADOG has teamed up with Magit Cacoon to release the single "Bad Habit" at "Renaissance". "Pretend Me" was released at "Simulate Recordings" Massano's label. ALPHADOG released "Keep Moving" at Adam Beyer's label "Truesoul". His release called "expected" released at Massano's label "Simulate Recordings" In 2024 ALPHADOG released "Unlock Your Mind" at his own AREA51.

2024 biggest release so far will be with Innellea, one of the most colorful artist in the electronic music scene, together they bring a new E.P "I WANT GO" that will be released at Innellea's label.

Currently ALPHADOG continue to work on new music including collaborations with different artists. Music is the answer!
